

Petition for Chapter Formation 2018

In order to charter a NSBP Student Chapter, complete the Petition below and return it to studentrep@nsbp.org. Once your statement has been accepted, the NSBP board will review the application and vote. Please allow at least 45 days for this process to complete.

Introduction (Please attach on a separate document)			
University Name		NSBP Student Chapter Name	
Group Email Address All chapters are listed in the online Chapter Directory (Link must be created for Directory). So that an interested party can make contact with you, chapters are required to maintain a group email address. If the chapter does not yet have an address that forwards to officers/primary contacts, NSBP can create one for you at yourchaptername@nsbp.org .			
Please select the following:			
<input type="checkbox"/> The chapter will use its own group e-mail			
<input type="checkbox"/> The chapter would like an email address created by NSBP		anyhandleyouwant@nsbp.org	
Mission Statement The Chapter shall enrich its members though professional networking, and by providing career development and technical programming. The Chapter will also raise awareness of physics and science learning through participation in events at its institution and in the local community. In particular, youth education outreach activities such as science fairs, lab tours and classroom demonstrations			
Close We hope that this petition of intent serves the mission of the National Society of Black Physicist and that it will serve as a strong basis for our new NSBP student chapter.
